

Privacy Statement

Last Updated: 22 May 2018

1. Data Controller

Wonder Inc.
Tehtaankatu 27-29, A, 4th Floor
Helsinki, Finland
Business ID: 2599865-5

2. What does this privacy policy cover?

This privacy policy describes how Wonder Inc. (also referred to as “we”, “our”) will make use of your information in the context of our marketing, sales and advertising practises.

3. For which purposes is my data collected?

Data is collected and processes on the basis of legitimate interest pursued by the controller. Legitimate interest may be described as the interest of Wonder Inc. which are connected the business activities of Wonder Inc. In order to provide the best possible service and products it is in the interest of Wonder Inc. to ensure that the targeted marketing is interesting and relevant. Therefore, Wonder Inc. can process personal data in order to send relevant and targeted advertisements.

Personal data may also be collected when it is necessary for the performance of a contract to which the data subject is party. Personal data may also be processed if the data subject has given consent to process his or her personal information for one or more specific purposes. We process personal data to operate our business mostly for the predefined purposes, mentioned below:

- Targeted advertising e.g. newsletter

We do not use automation software of profiling.

4. What information is collected?

User information such as: name, email-address, country, phone number and title.

5. How information is regularly collected

Information is primarily collected from visitor reports, congresses/workshops, forms on the www-site, customer visits and other similar situations where information might be exchanged.

6. Who can handle my personal data?

Information isn't generally handed over to third parties. Assigned personnel within Wonder Inc. can handle personal data according to the applicable Personal Data Act. In case we outsource the handling of personal data to a third-party supplier or contractor, we ensure that the personal data is handled appropriately and in compliance with the Personal Data Act.

Data is typically stored in the EU or the EEA locations. In case any data is transferred outside these locations, we will ensure that the country to which the data is transferred has a sufficient level of privacy protection.

7. How long is my data stored?

We store data only for as long as it is necessary to fulfil the purposes laid out in section 3, except where otherwise determined by law.

8. How do we safeguard your data?

When managing personal data, we comply with the current laws and regulations as well as our company's current data security policies. Our IT infrastructure is kept up to date which ensures secure and appropriate handling of personal data. Access to personal data is restricted only for responsible and relevant persons and all information is handled confidentially.

9. How can I influence my privacy?

We are committed to provide our users choice and control over the data process. Below are listed the different options we provide.
